Letter from the President of COSIA

On behalf of the COSIA Board of Managers, I would like to invite you to join us for our **21st Annual Education Day Conference**. In celebration of winning teams, the day will have a NASCAR theme. Please feel free to support your favorite team with NASCAR attire.

This year's event will be at **The Conference Center at NorthPointe (see address above. Directions are also available on their web site at www.conferencecenteratnorthpointe.com.)** We have planned a great agenda with presentations by the Ohio Bureau of Workers' Compensation, Physicians, Attorneys and, other workers' compensation specialists.

Vendors will be available throughout the day to share their products, services, and expertise and to support the administration of self-insured programs. Vendors are encouraged to decorate for NASCAR and compete for "The Best NASCAR Table" prize.

Our objective is to provide assistance and educational opportunities for the self-insured community of Central Ohio. Through this educational forum, our goal is to enable our members to achieve the highest possible standard of self-insured administration.

As in past years, we anticipate approval for CLE credit hours from the Ohio Supreme Court.

Overnight accommodations are available at a discounted rate of \$145.00 per night. This includes dinner the night of arrival and breakfast the day of the event. To reserve a room please call (614) 880-4300.

Please check the deadlines for registration and submit your application early as we anticipate a large turnout at The Conference Center at NorthPointe. We look forward to seeing all of you at the conference.

Sincerely,

Debbie Murphy
President, COSIA
